TENDERS are invited for the purchase of \$500,000 in 5 per cent. Mortgage Debentures of \$250 each. These Debentures are issued in order to repay the money temporarily borrowed by the Company.
The loan will be secured by a floating first charge on the assets of the Company and all its property present and future, including any eventual increase of capital for the time being.
Debentures are issued at par, but any application containing an offer of a premium will receive consideration at the hands of the Directors, but this shall not affect the right of the Directors to accept any tender they may see fit. No tenders will be accepted below par.
The Debentures will be issued bearing a face value of \$250 each made payable to bearer and carrying interest from the 1st day of October, 1891, at the rate of 5 per cent. per annum, payable half-yearly on the 1st day of April and the 1st day of October at the Office of the Hongkong and Kowloon Wharf and Godown Company, Limited, at Corporation Hongkong, or its branches, at the current rate of Exchange upon presentation of the Coupons attached to the debentures. The terms of subscription for each debenture are as follows—45 per cent. on application and the balance on 1st day of October, 1891.
Where an allotment is made the actual amount paid will be returned in full without any deduction but without any interest, and where the number of debentures allotted is less than the number applied for the surplus will be credited in reduction of the amount due on allotment, and any excess returned. Failure to pay any instalment when due will render the allotment liable to cancellation and previous payments to forfeit.
The Debentures shall be redeemable at par in the amounts and at the times following, viz—
\$100,000 thereof on 1st day of October, 1894.
\$100,000 thereof on 1st day of October, 1897.
As to the remaining \$300,000 the Company may redeem the same at any one of the times and in any one of the modes following, namely—by the payment of \$100,000 on the 1st day of October, 1897, and \$150,000 on the 1st day of October, 1899, or they may pay off the whole sum of \$300,000 on the 1st day of October, 1899, or they may pay off the whole sum of \$300,000 on the 1st day of October, 1891, at their option.
The number of such Debentures as will be paid off will be drawn for at the periods aforesaid, and public notice will be given of the day and time fixed for such drawing at least seven days before each drawing.
Tenders in the annexed form should be filled up and sent to the Company's Secretary on or before the 15th day of September, 1891, accompanied by a deposit of \$5 per cent. upon each debenture applied for.
The form and conditions of the Debentures can be seen at the Company's Office and at the Office of Messrs. Wotton and Downer, the Company's Solicitors.
